A Message From the President - Sandy Hayes

In April of 2011, (10 years ago), GreatStaff Solutions opened its doors for the first time. The overall goal was to build a reputable staffing company that would serve Metro Detroit businesses based on a thorough hiring process, open communication, honesty, and client focus, at a fair price. Ten years later and with a lot of hard work, we can proudly say, these things have happened. The team at GreatStaff has seen many changes in the workforce and staffing demands over the last 10 years and we can only expect more to come. We are here to help our clients (and future clients) through whatever economy we face. We are truly grateful for the loyalty of our clients and the partnerships we have developed. We look forward to our continued partnerships and are very excited for growth and new client relationships! We look forward to the next 10 years! Thank you for your business!
