A Message From the President - Sandy Hayes

“We Are In This Together” ...a phrase that has been repeated many times over the past few weeks. COVID-19 does not discriminate, regardless of age, income level or education, we are all vulnerable. It is this vulnerability that has shed light on what truly matters in our lives. As we all evaluate our circumstances, both personally and professionally, it is important to remember that everyone is affected and how we conduct our own actions will either help or hurt our families, businesses and communities. As we look for answers to survive this pandemic, now is the time to show patience, understanding, compassion and grace. GreatStaff Solutions is truly thankful for our clients, employees and our community. We look forward to overcoming this crisis even stronger.
